

Welcome to Year One

Hello, welcome to Year One. In our class we like to work hard together to enjoy our learning and constantly strive to achieve the best that we can do.

We would like to share our experiences and provide you with important information through this webpage. Keep checking for updates and pictures of the things we have been getting up to!

Below are a selection of websites that contain activities to support children's learning in Maths and English.

www.sumdog.com

www.mymaths.co.uk

www.phonicsplay.co.uk

Notice Board

Please remember that the school day starts at 8.45am.

I would love for us to win the attendance cup lots this year, which means money for our class!! The children really enjoy winning the Attendance Cup.

Special points of interest:

- ☺ PE days are Tuesday and Wednesday.
- ☺ Please support your child at home by hearing them read their reading books daily.
- ☺ Homework is set every other week and is due the Friday after it is set.

Please make sure that all your child's belongings are clearly labelled with their name.

Rewards...

In our class there is a great expectation that every child will give a 100% at whatever they are doing. Those who show how fantastic they are (hopefully everyone!) will be rewarded for their super attitude and behavior.

They can earn house points, stickers and at the end of every week, we choose a star of the week. The star of the week gets a special prize and has a star on their desk for the week.

Cooking

Your child will be cooking on a monthly basis, with Tina. Dates will be put on the noticeboard at the beginning of each term.

Please provide a container for your child to take home their cooking.
