

Welcome to Year 5

Hello, welcome to Year 5. In our class we like to work hard together to enjoy our learning and constantly strive to achieve the best that we can do.

We would like to share our experiences and provide you with important information through this web page. We value any thoughts and ideas you may have to make our web page more informative.

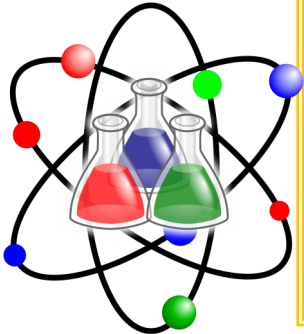

Homework

Please listen to your child read on a daily basis or help them to complete their reading activities. Badges and certificates will be awarded to celebrate their achievements.

In year 5 one of our main focuses is times tables and telling the time. Please encourage your child to practice these at home.

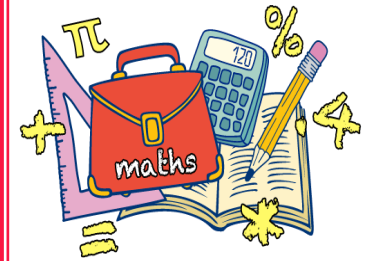

Math homework will be set on Tuesdays from their homework books and will be excepted in by the Friday.

Long term homework will also be set and they will have at least 2 weeks to complete this.

Attendance

Please remember that school starts at 8.45am. I would love for us to win lots of attendance cups this year, if we have two weeks without any absences or late marks we will earn money for our class!

Cooking

Your child will be cooking with Tina. Please provide a container for your child to take home their cooking.

PE

PE days are Wednesday and Thursday but we advise children to leave their kit in school all week incase it is needed at short notice.
