

Year 1

Summer Term 2018

English

Read write inc throughout the year.

Fairy stories, fantasy stories, super heroes. Poems about nature. Traditional poems

Letters, notes and messages to ourselves and others. Information texts.

Maths

Multiplication and division. Making sets of 2, 5 and 10 objects. Counting how many altogether if we have multiple sets of 2, 5, or 10 objects such as pencils. Looking at the pattern of 2, 5 and ten on number lines and number squares. Strategies for counting aloud in 2s, 5s and 10s. Simple fractions from everyday life eg half of a cake, how can we share out these pencils?

R.E.

Talking about our own beliefs or values. Listening to and respecting the beliefs of others. Inspiration, influence and the impact of belief.

M.F.L.

How to say hello in Spanish. Introduce ourselves, ask others their name and say goodbye. Where are you going for your holiday? To the seaside?

Topic

Science— Animals; how they live and grow. Special focus on sea creatures.

History— Seaside holidays now and then. What do we like to do when we go to the seaside? What did our nans and grandads like to do? How has the seaside changed?

Geography— Seaside holiday places. Going on holiday to the seaside and how to get there. How to find the seaside on a map.
